The current condition of our club continues to be relatively healthy!! Our membership is currently at about 210 members. We added 26 new members in the 2008 season, but we also lose members every year, (on average about 20 to 25) due to relocation, families out growing the pool or members deciding not to pay their dues. If we maintain between 200 and 215 members every year our facility is not over loaded and our budget remains stable. The physical health of our pool is a constant concern!! Our pool was built in **1959** and yes that means we will celebrate our **50th year** of operation in the 2009 season. Planning a Chestnut Run Pool Birthday Party and other related activities is already in the works!! As some of you can understand with age comes more aches and pains and with age Chestnut Run Pool is having plenty of aches and pains. Many club pools built in this same era have either closed up, been re-built or like us have maintained there facilities the best they can with resources they have to work with. The board is currently in the process of making some long-term plans related to the major improvements that will be needed at our facility in the not to distant future, we will keep all of you updated as these plans develop. For the up coming season we plan to make more improvements to the piping in the pump room, make some electrical improvements, paint both pools, improve our lighting, purchase more lounge chairs, improve our recreation areas and create more shaded areas for our members. We will also be searching for a new pool manager for 2009 season. Jordan Edwards our 2008 manager is now attending graduate school in South Carolina full time. Good Luck Jordan and Thank You!!!!

If you have any suggestions on how we can improve our pool or if you would someday like to serve on the pool board, please contact Tom Hollinger at 856-769-9601.

I would like to thank all 2008 Board members for **their time, hard work, energy and commitment** to Chestnut Run Pool in the past year. I am also looking forward to the 2009 season of

sun and fun at Chestnut Run (**pool opens in 30 weeks**). We also look forward to any and all membership feedback at the annual meeting, by phone (769-9601) or email: thollinger@comcast.net

Have a Happy and Safe Holiday Season!!!!!!

Sincerely yours,

Tom Hollinger, Board President
